# DOLLAR FOR DOLLAR WITH THE COUNTRY

Ontario, With \$171,315,450,  
Bids Fair to Match the Dominion.

\$287,663,040

Is Canada's Total, So Far as Reported Friday Night.

ONTARIO	171,315,450
CANADA	287,663,040
Ontario (including Toronto)	171,315,450
Other Provinces:	
British Columbia	12,440,840
Alberta	6,022,650
Saskatchewan	4,750,800
Manitoba	1,062,000
Quebec	10,620,100
New Brunswick	63,707,400
Nova Scotia	4,110,750
Prince Edward Island	336,100
Total for Dominion	\$287,663,040

The above totals represent reports from the Province of British Columbia, Alberta, Saskatchewan, Manitoba, New Brunswick, Nova Scotia, and Prince Edward Island up to Wednesday night; from Quebec and the city of Montreal up to Thursday night; and from the Province of Ontario up to Friday night.

Toronto, Nov. 8.—The impetus which the Ontario Victory Loan campaign gained in the early part of this week is holding, so that last night, by reaching the total of \$171,315,450, the province went many millions ahead of the average needed to attain the \$287,663,040 objective by the end of the week. At the present pace it looks as though Ontario would live up to the challenge of her organizers to raise dollar for dollar with the balance of the Dominion, as considerably more than half the known total for Canada is credited to Ontario. The outstanding features of the provincial campaign are told by the following summary by Mr. G. H. Wood:

The Victory Loan drive in Ontario to-day provided some spectacular features. Two units went over the top. The County of Brant, under Chairman A. K. Russell, won its prize of \$11,157.50. This brought its combined total to \$11,157.50. West York, under Chairman J. P. Brown, brought its total to date up to \$1,966,000, which exceeded its combined objective and made it the fifth unit to win the Prize of Wales Flag. Toronto's fine performance, backed by excellent returns from the rest of the province, made the total to date \$171,315,450, compared with \$1,466,750 for the same day last year. Ontario's grand total for the eleven days is \$171,315,450. To reach our objective of \$287,663,040 we would raise an average of approximately \$18,000,000 for each of the 15 working days. The province has, however, maintained so far an average of \$4,500,000, which means that we are \$33,163,000 ahead of our quota for the period that has elapsed.

A striking feature of the campaign has been that no less than ten divisions have already exceeded their objectives for special subscriptions. Names: Grand, with 166.47 per cent.; Stouffville, with 160.36 per cent.; Central, with 145.35 per cent.; London, with 141.11 per cent.; Lake Huron, with 139.33 per cent.; Trent Valley, with 138.33 per cent.; Bay of Quinte, with 133.18 per cent.; Erie-Elgin, with 133.18 per cent.; Hamilton, with 133.18 per cent.; and Toronto, with 130.11.

Twenty-nine units have also exceeded their objectives on special subscriptions, namely: Toronto, Hamilton, London, Essex North, Lambton, Waterloo North, Wellington South, Dufferin, Simcoe West, York West, York North, Peel, Ontario, Durham, Peterborough, Victoria and Huron, Parry Sound, Lennox and Addington, Frontenac, Leeds and Grenville, Dundas, Stormont and Glengarry, New Brunswick, Trunkanville, and Rait River.

Five new units have passed the million dollar mark, bringing the total number up to thirty-six. The day's additions to the list of millionaires are: Oxford North, with \$1,025,250; Dundas, Stormont and Glengarry, with \$1,025,250; Sudbury and Manitoulin, with \$1,025,250; Lanark, with \$1,025,250; and Newmarket, with \$1,025,250. The day provided a long list of units which produced more than \$200,000. They include Essex North, with \$1,025,250; Grey, with \$1,113,750; Ottawa, with \$1,113,750; Hamilton, with \$1,113,750; and Sudbury, with \$1,113,750. The number of places which won the Prize of Wales honor flag to-day was twenty, bringing the grand total up to ninety. Two new cities were added to the list, Galt and Brockville. Honor banners have been presented to 168 employees of 168 industrial establishments, 33 new firms having been added to the list to-day. The Northern Division, under Divisional Organizer J. B. McArthur, again leads in spirit, having reached 50.25 per cent. of their members' objective. In second place is the Georgian Bay Division, under Divisional Organizer R. M. Bird, with 76.64 per cent. of its objective obtained. The highest unit in Parry Sound is L. G. Mills, with A. G. A. Spencer, with 105.59 per cent. of their team members' objective already attained. Next in the running is Grey, under Organizer W. M. Marshall, with 82.25 per cent., and Trunkanville, under Organizers L. E. Butler and W. W. Stratton, with 80.25 per cent.

75.86 PER CENT. GOING.

Following is the standing of the district teams by division:

To-day's objective	43.73
Toronto	118,252,110
Hamilton	3,880,400
Ottawa	51,227
London	1,482,150
Erie St. Clair	6,837,250
Georgian Bay	2,586,250
Nipissing	7,768,300
Lake Huron	6,229,350
Georgian Bay	6,229,350
Central	5,007,350

## Keep the Cobwebs away

YOU know that times are good to-day.

You know that business is humming, that your pay envelope comes regularly and is well filled.

But do you know why this is so?

Canada is prosperous—and you are prosperous—because the Victory Loan 1918 was successful, enabling Canada to give credit to Great Britain and other countries who, as a result, were enabled to place orders in Canada for the goods YOU make.

But the proceeds of the Victory Loan 1918 are exhausted.

Great Britain and her allies have more orders to place—but they are not yet in a position to pay cash.

If Canada is to get these further orders, she must extend credit.

The Victory Loan 1919 will provide the necessary money to establish these credits.

Every workman wants prosperity to continue. Therefore every workman will buy Victory Bonds.

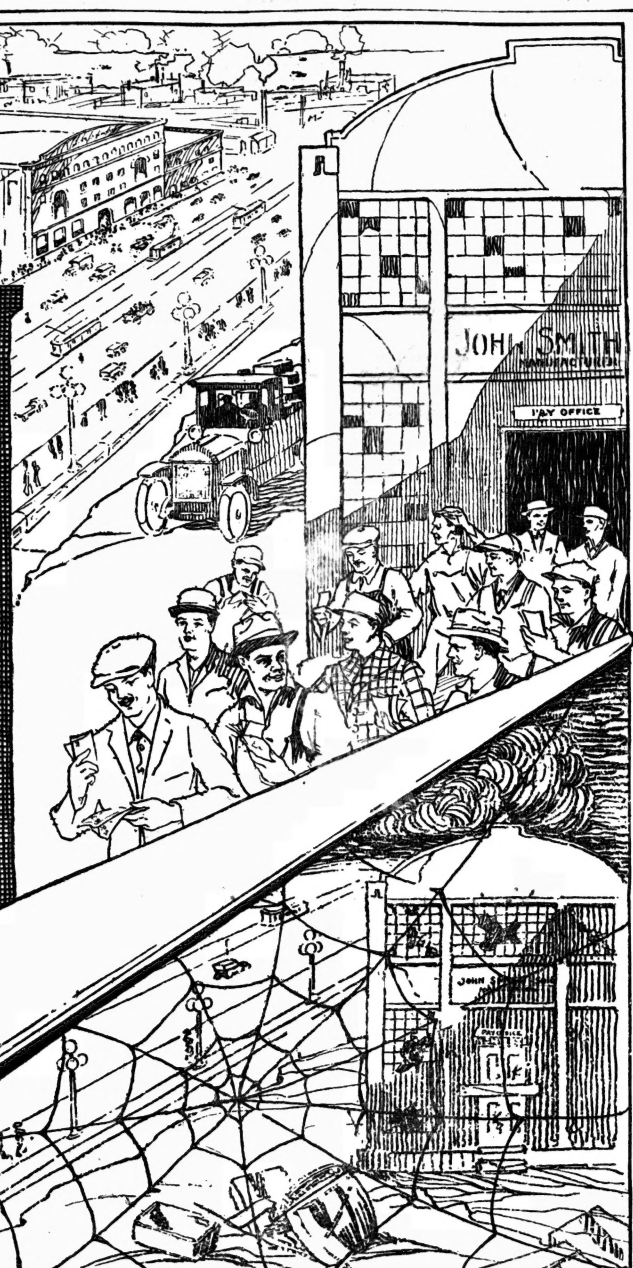

Buy to the limit of your ability.

## GEET, I'M HAPPY MY CATARHZE ALL GONE

Suffering Like a Boob For Years—Got Relief in Ten Minutes.

## Catarhaze Did Cure

That's the way hundreds of the boys around town are talking since Catarhaze got into the drug stores. Nothing on earth like Catarhaze to really cure Catarhaze, Dizziness, Headache.

"Catarhaze"—it isn't a drug—it's a healing vapor full of pine essence and healing balsams. It spreads over the surfaces that are weak and sore from coughing. Every spot that is congested is healed—irritation is soothed away, phlegm and secretions are cleaned out, and all symptoms of cold and catarrh are cured. Nothing so quiet, so sure, so pleasant as Catarhaze. Beware of dangerous substitutes going to deceive you. For genuine Catarhaze, ask for it. All druggists sell Catarhaze, large size, which lasts two months for \$1.00. Small size, which lasts one month for 50c.

# The making of a Team.

Sketches from life by Westerman

COPYRIGHT 1919-McCLURE NEWSPAPER SYNDICATE

The black-board lecture. The coach has to be an orator, a disciplinarian, trojan worker, leader, teacher, and tactician all in one.

The trainer is the twelfth member of the team and one might say in every play.

A bit of fancy nose dressing.

Blanket Freshman.

When the linemen get ready for a rub-down the trainer's room looks like a burlesque chorus dressing room.

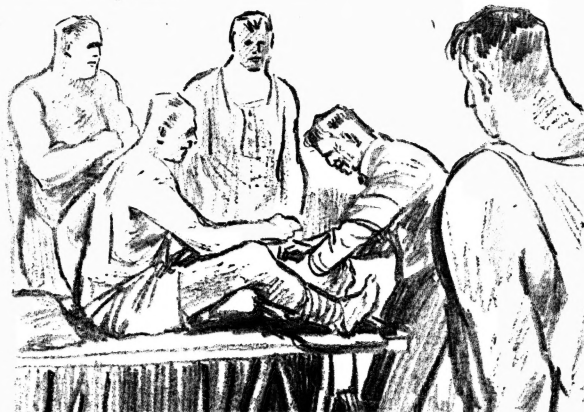

All packed up like a piece of cut glass in an excelsior bundle and ready to show.

Every attention is given the players by the blanket slingers.

Trainer, — Hey, you! Cut out that kneadin' nuthin' but flat hand work goes here!"

The trainer says that horse training is a picnic by comparison with his work. He treats everything from a broken nose to a sprained ankle. And the horses can't talk, he says.

The biggest and fiercest looking member of the squad came in to have a sore toe treated.

## Mutual Co-operation Means SUCCESS for the 1919 Victory Loans

"Push It Along!"

GRATITUDE impels us to support the Victory Loan.

Canada must buy from her farmers their produce for cash in order that her allies may be furnished with our exports on credit.

Canada must lend her own money or she must pay heavy interest charges to foreign investors—and so grow poorer yearly.

Canada must keep her factories humming by keeping money in circulation.

SELF-INTEREST compels Canada to support the loans.

Canada has three times as much money in her savings banks as is required for the 1919 Victory Loan.

Canada is worth \$20,000,000,000. You need not be afraid to lend your money to such a well-to-do borrower.

The Mutual of Canada believes in the loan; has invested in former loans \$6,375,000, and will offer this year an additional subscription of \$5,000,000. The company commends the 1919 Victory Bonds to its policyholders and to both the large and small investors of Canada.

## TO SUBMIT ONE MORE BY-LAW

Athletic Field Would Cost  
\$106,000.

McQueen Favors Asking  
for \$200,000.

Ratepayers interested in the Scott property athletic field and the civil committee appointed to prepare estimates on the cost, met last night in the board of control room at City Hall, Controller Peebles presided. City Engineer Gray submitted his report on the cost of the proposed grounds, and the scheme was unanimously endorsed by those present. The cost of construction, he said, would be \$106,000, this figure to include the cost of two grandstands with a seating capacity of 2,000 each. He said that the total expenditure would be \$100,000 if the site and the stands was reduced.

The committee endorsed these plans and recommended to the board of control that the whole question be submitted to the ratepayers in January in the form of a by-law. A minority committee was appointed to elicit the ratepayers' and posters will be scattered broadcast throughout the city.

Admiral McQueen favored putting a \$200,000 by-law before the ratepayers, and the additional money to be expended on the various city parks. This, he said, would appeal to all citizens, and ratepayers who might vote against the by-law would be in favor of it. It might be in the form of a \$100,000 by-law to be in all sections of the city.

Was the old-timers would turn over in their graves if they realized that \$100,000 was going to be spent on an athletic field, said Alderman McQueen, who added that a \$200,000 by-law would have as good a chance of carrying as a \$100,000 by-law.

I am in favor of purchasing all lands for city parks, said Controller Hafford.

A sub-committee was appointed to report back on the suggestion of Alderman McQueen. This committee will report at the next general meeting, which is to be held on Thursday evening.

## TORONTO MURDER

Believed to Have Been  
Work of Bootlegger.

Toronto, Nov. 7.—Three days' close investigation of the murder of J. G. Rowland, the taxi driver, in the vicinity of Leslie some time on Tuesday night, has convinced the city and county that the crime is linked up with the liquor traffic between this city and Montreal.

Looking about for the motive "for the killing of the taxi driver, the officers found many clues, but only yesterday were they able to settle upon the motive.

The clue which forced itself to the top, and is accepted by the officers, is the murder having liquor in it, and the fact that the taxi driver was taken to his home by a car.

## TO ANOTHER WOMAN

T. P. Shonts Left Little to  
His Wife.

New York, Nov. 7.—As had been intimated by Mrs. Milla D. Shonts, the widow, in applying for papers as a friend of the President, the total estate of the late Theodore P. Shonts, President of the Interborough Rapid Transit Company, who died in 1917, will be left to his wife.

According to its provisions, Mr. Shonts leaves his widow his policy of life insurance for the sum of \$1,000,000, payable five months after his death.

Continuing the will says that by agreement executed in June, 1917, in which he gave all of the jewelry to his wife, he makes no further provision for her, except that he acknowledges an agreement to her, which he leaves her will portrait by Prince Troubetzkoy.

## TO GREET PRINCE

U. S. Leaders to Meet Him  
at the Border.

Washington, Nov. 7.—Secretary of State Lansing and other Government officials will greet the Prince of Wales at the international border when he comes to visit the United States. The Prince is expected to reach Washington on Monday, and will be welcomed at the Union Station by Vice-President Marshall.

Accompanied by a military escort, the Prince will drive to the Belmont residence on New Hampshire Avenue, which has been fitted up for his occupancy. The official program for the visit will include visits to the White House, Mount Vernon and the Lincoln Memorial.

Major-General Biddle, who commanded the United States troops in England during the war, will serve as aide-de-camp to the Prince during his stay in this country.

## SOVIET IDEAS FOR A PEACE

Bolsheviki Want Confer-  
ence in Neutral Land.

Withdraw All Ally Troops  
From Russia.

London, Nov. 7.—The Daily Herald, today says that the full draft of the conditions upon which the leaders of the Soviet Government in Russia are willing to discuss peace terms with the allied and associated powers, which were brought to London by Lord Col. Leighton, member of Parliament, who recently returned from a visit to Russia.

The Soviet Government, according to the draft, proposes a conference in a neutral country after an agreement on an armistice for all the fronts, including the Eastern States, all the de facto Governments, meantime, to remain in control.

The blockade would be removed, and the Soviet Government and the nations of the associated and allied Governments would have free rights of transit over all the railways, the telegraph, including the border States and the former Russian Empire.

The conditions provide that the Soviet Government should be entitled to send representatives to all international conferences, and that the Soviet Government should be entitled to send representatives to all international conferences, and that the Soviet Government should be entitled to send representatives to all international conferences.

## DEMOUNTABLE SHIPS.

Plan to Ship Lumber to  
Australia.

Seattle, Wash., Nov. 7.—Announcement was made today that the Furber Lumber Company, of British Columbia, is planning to ship 500,000 feet of lumber to Australia.

The lumber is to be shipped in the form of demountable ships. The ships will be built of lumber and will be dismantled and delivered as lumber. The hulls and cargo of each ship will represent about 5,000,000 feet of lumber.

Major-General Biddle, who commanded the United States troops in England during the war, will serve as aide-de-camp to the Prince during his stay in this country.

## BETTER RESPONSE

County Salesmen Report  
More Eagerness is  
Shown.

Optimistic reports from most of the Wentworth County Victory Loan divisions made George B. Harris, the energetic organizer, hear a broad grin this morning.

"Things look much better today," said Mr. Harris, "even Dundas and Ancaster are showing signs of life. Blainville is over the top, and Wentworth will likely reach their objective today."

Albert Shaver, chairman of Ancaster canvassers, guarantees Ancaster will have \$175,000 by tonight. The county went over the million mark last night, and we are going to come strong next week. Just wait."

County figures last night were:

District	Objective	Total
Dundas	\$400,000	\$125,000
East Flamborough	225,000	125,000
West Flamborough	150,000	55,000
Reverly	100,000	112,500
Ancaster	275,000	85,000
Clanfron	100,000	65,000
Barston	200,000	124,000
Blainville	300,000	100,000
Staflet	250,000	95,000
Team totals	\$1,500,000	\$1,000,200

County canvassers report that agents of a rubber company and a trader organization are selling stocks to various parts of the county. "They cannot understand how any sane person would purchase a stock of rubber and pass up Victory bonds that have all Canada as backing," Ivan B. Kirk, county assistant organizer, said. "They must be giving pretty good stock certificates to frame and hang on the wall."

A very successful concert was held in Dundas Town Hall last night. C. J. J. Graham, chairman of the County Victory Loan Committee, presided. Rev. Dr. Benson gave an inspiring talk, and incidentally pointed out the value of the Victory Loan. Mr. E. V. Miller sang very acceptably, and Mr. Julius Cohen contributed very enjoyable violin selections. Moving pictures of the Prince of Wales tour were shown.

A letter received from Hon. T. A. Cresser, President of the United Grain Growers' Company, Limited, and former Minister of Agriculture, was interesting.

"The loan shroud to be floated throughout Canada should be supported in the strongest possible way by every section of our people."

Unfortunately, it was impossible at the time of the signing of the armistice to stop the expenditures caused by the war. Even yet our soldiers are not all back and demobilized. Much money is required for soldiers' land settlement, for pensions, for vocational training of returned men, and for the special care of thousands of the boys who come back, shattered in health of body and mind.

The country's honor demands that this provision be made. The Canadian people must provide the means to do so. I have no fear that they will not.

Our country has heavy financial burdens to face, as a nation, but we must meet them in the same way as would an individual; we must have, produce and trade. To the person who says there is no better investment than Canada's bonds."

"You never hear of green goods, men anywhere," Mr. Cresser replied. "I am sure," he said, "compared to the easy

## THE PEACE PACT IN U.S. SENATE

Opponents of Ratification  
Win Initial Test.

Washington, Nov. 7.—The first affirmative step toward qualification of the Peace Treaty was taken today by the Senate after Administration leaders, with the backing of President Wilson, had reaffirmed their intention of voting against ratification if the reservations drawn by the Senate majority are adopted.

The initial test of strength on the reservation programme of the Foreign Relations Committee found the Republicans almost solidly united behind it. The group of mild reservationists who helped kill the committee's amendments and the irreconcilable group of treaty free stand-along together for the first time since the long treaty fight began.

By a vote of 48 to 40 the Senate approved, after all efforts to amend it had failed, the committee's preamble to the reservation group, requiring that to make the treaty binding at least three of the four great powers must accept the Senate qualifications. The only Republican who did not swing into line for the proposal was Senator McPherson of North Dakota, while five Democrats, Senators Reed, Missouri; Gore, Oklahoma and Walsh, Massachusetts, voted with the majority.

When adjournment was reached, the first of the 14 reservationists, alone in debate, and Republican leaders were claiming they had safe majorities for the entire group. The mild reservationists, it was stated, had turned down a new Democratic offer of compromise, while the irre-

Conciliatory wing was devising a plan of action by which they hoped to claim the treaty entirely; the most to stand by the Administration. It was that the treaty would be wadded into a deadlock, which, in the view, would make a compromise inevitable.

The plan to vote against the treaty was so decided, the ratification fight was decided to have President Wilson's unqualified support. Senator Hitchcock, of Nebraska, the Democratic leader, saw the President fight the day for the first time since Mr. Wilson returned from his sickle tour, and went over with him the entire situation surrounding the treaty fight in the Senate. Afterward, Mr. Hitchcock said the Executive regarding the committee's reservation as "destructive" and the preamble as "very embarrassing," and advised the Administration Senators to stand by their guns.

The President was said to have expressed an aggressive opposition to acceptance of reservations which would limit the treaty, but to have shown a willingness to leave the matter of a compromise in the hands of the Administration Senators. To be worked out after the deadlock stage had been reached, Mr. Hitchcock said that he had sent for the Administration leader to give assurance of support in the committee's amendments and of his gratitude over the successful fight against amendments.

## POULTRY HAD BRISK DEMAND

Supply Very Large But Prices High.

Fresh Eggs Brought 55c a Dozen.

Genoa, Nov. 8.—Poultry of all sorts was abundant this morning, but market officials had little time to get their routine duties. From various market hours they were kept constantly at the scales weighing chickens, geese and turkeys, which were brought in in large numbers, and were quite abundant. They sold at from 25 to 30 cents per pound. Chickens continued in spite of the great abundance, in fact, to sell at 30 to 35 cents. A high drop was noted in duck prices, which sold at 40 cents. No turkeys were to be had. The demand for poultry was very large, therefore prices were high. A drop in looked for.

Meats were offered in a most plentiful supply. Pork was quite abundant today as any other meat, as, owing to the colder weather, farmers are commencing to kill again. Lamb and beef were also offered in large quantities. The demand for meat from the retail dealers was not so great as the outside market, supplies of all sorts were large. Apples, of course, were the most abundant of any other fruit. There was a fair supply of apples. In most cases they were offered at from 10 to 15 cents. Apples of a large, firm variety. There were scarcely any grapes, the crop being almost over.

Potatoes, which were very abundant, were unchanged in price. Spinach, cabbage and cauliflowers were to be had in large numbers. Citrus fruit, some of the very best, are in pumpkins, and fair supplies of both were offered. Very fine celeriac was to be had.

Butter and eggs were plentiful. Eggs, sold at 55 to 60 cents. Butter, being abundant, in almost every case. Prices of butter were:

STEEL STRIKE PROBE

U. S. Senate Committee Raps Both Sides.

(Associated Press Wire.)

Washington, Nov. 8.—Characterizing all strikes as "industrial barbarism," and declaring that there is no place in this country either for the "despotism of labor" or for the "despotism of capital," the U. S. Senate committee on labor today began its report on the steel strike in Pittsburgh and the coal strike in West Virginia, and criticizing both the industrial questions, and the workers' movement, which resulted in the "industrial disruption of the steel industry."

The committee's main conclusion, supported by all members, was that the right to labor is a right to determine in the own way the industrial questions, and it is the same as labor, and the duty is upon the government to protect the right of adjusting these difficulties.

## PROCLAMATION

## ARMISTICE DAY

Tuesday, Nov. 11th, 1919

Whereas, His Majesty the King has asked that an opportunity be provided for the people of every part of the British Empire, on the first anniversary of the Armistice, which stayed the world-wide carnage of the four preceding years, and marked the victory of right, justice and freedom, to perpetuate the memory of that great deliverance and of those who laid down their lives to achieve it.

His Majesty, therefore, requests that there may be an Armistice Day (Tuesday the 11th instant), for the brief space of two minutes, a complete suspension of all normal activities, so that in perfect stillness the prayers and thoughts of every one may be concentrated on reverent remembrance of the glorious dead, and of the victory by God's grace, vouchsafed to the Empire and its devoted Allies.

I therefore, in compliance with the wishes of His Majesty the King, do request that at the hour of 11 o'clock a.m., on TUESDAY THE 11TH INSTANT, all business and domestic activities of every description should cease for a period of TWO MINUTES.

I further request that at Armistice Day patriotic and thanksgiving services be conducted in schools and colleges.

In witness whereof, I have hereunto set my hand, and caused this proclamation to be made public.

CHARLES O. BOOKER,

Mayor.

Mayor's Office, Hamilton, November 8th, 1919.

GOD SAVE THE KING.
